From: Sandra Mansfield, D.R.E.

Date: March 26, 2011

Beatitudes Religious Education will present a prevention program, the Touching Safety program, to our students during our school year. The creators of the Protecting God's Children program developed this program and is provided to us by the Archdiocese of Los Angeles. This program is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse.

A copy of the lesson plan is available in the religious education office for your review. You may also find information concerning this program at www.virtus.org. If you have any questions about the program, please call the school office. This is the same program as last year. If the permission form is not signed, your child will not be allowed to attend this program.
